ZBYSZKO TO REACH HERE EARLY TOMORROW MORNING

Champion Polish Wrestler to Meet
Lehto in Handicap Match
at Palestra.

BIG CROWD TO WELCOME HIM

Advice received in Calumet today, state that Zbyszko, the champion Polish wrestler who is to meet Karl Lehto at the Palestra tomorrow evening, will arrive in Calumet tomorrow morning from Grand Rapids. Zbyszko engaged in a wrestling contest with Karl Alber, the German giant at Grand Rapids, Saturday evening, which made it impossible for him to reach Calumet yesterday as was at first expected. A crowd of about three hundred residents gathered at the depot yesterday hoping to catch a glimpse of the Pole, but in this they were disappointed.

Zbyszko had no trouble disposing of Alber. He secured the first fall in 22 minutes, a toe hold doing the work. The second fall came in 9 minutes, a full Nelson having been employed to turn the trick. The match was witnessed by a record crowd. Both men indulged in considerable rough work.

The Palestra will be closed at about midnight tonight, and a force of carpenters will prepare it for the match. A platform will be erected in the middle and the ice will be covered with planks. A series of gas burners will be placed beneath the platform to provide heat for the wrestlers.

Despite the fact that Zbyszko has a mighty fine reputation, Lehto will try to win his match and has not lost confidence in his ability to stay the limit. Lehto believes that he is as good as any man who has stayed one hour or more with Zbyszko and thinks he can duplicate the performance. He is in good form for the match, having trained faithfully and taken on weight for his heavy opponent. Although he usually enters the ring weighing about 155 pounds, he should tip the beam to 165 pounds tomorrow evening. He will be stronger than ever before for his bout with Zbyszko.

TO PUBLISH OWN SOUVENIRS.
Elks Will Not Allow Advertisers to Be Held Up.

There will be no "sand-bagging" for the souvenir program and other information matter issued for the national reunion of the Elks in Detroit next July, says the Detroit Free Press. This was emphatically decided upon at a meeting of the citizens' committee on funds, held at the mayor's office yesterday.

Methods which have often been used of farming out the advertising in the souvenirs and turning solicitors loose upon the business public were discontinued. The publication will be done by the Elks themselves and no outsider will get a "rake-off."

Funds for the entertainment of the visitors will be solicited on a straightforward business and public spirit basis. Subscribers, however, will receive recognition in the souvenirs, which undoubtedly will stimulate subscriptions. The members of the citizens' committee expects no difficulty in securing the desired \$25,000 entertainment fund.

WILL ATTEND CONVENTION.

Miss Waggie Walz, of Calumet, who is now in Marquette and who is one of the active promoters of the project of converting the Hotel Superior into a home for friendless girls and an old ladies' sanitarium will attend the National convention of the Equal Suffrage Union to be held in Washington from April 15 to 19. She will address the association during the session. Miss Walz will also be one of the seven delegates who will go as representatives of American Temperance orders to Glasgow, Scotland, where the International convention of the Woman's Christian Temperance union will be held. The meeting opens May 23 and continues until June 1. Marquette Chronicle.

GUN CLUBS MEET AND AGREE TO CIRCULATE A PETITION

Will Ask for Law to Prohibit the
Snaring of Rabbits in the
Copper Country.

ALSO WANT A CLOSED SEASON

There was a well attended meeting of the C. & H. and Austrian gun clubs yesterday afternoon in the Austrian gun club's rooms in the Sustarich building in Laurium, for the purpose of taking up certain matters of importance to local sportsmen.

After considerable discussion it was decided to circulate a petition among the sportsmen of this district, the signatures to be obtained during the next two weeks if possible, for presentation to Rep. Oates, praying that he introduce a special act at the next session of the legislature to prohibit snaring of rabbits in the copper country.

It was further decided to incorporate in the petition a request for a closed season for rabbits, from March 1 to October 1 of each year, and to ask the legislature to make it illegal for any one sportsman to shoot more than 5 partridges in any single hunt, instead of 12 as now.

Should the proposed closed season for rabbits go into effect the open season for rabbits, ducks and partridges would go into effect jointly on Oct. 1 of each year.

The clubs also took up the matter of importing Belgian hares to this district, and it was decided to order 50 pairs at once, as well as 25 pairs of other hare species. J. J. Werschay and Deputy Game Warden Gipp were named as a committee to receive these imported animals and take them to the woods for release. The Keweenaw sportsmen's club is to be asked to co-operate with the local clubs in every particular.

SAINT PAUL HOCKEY TEAM WANTS TO MEET MOHAWK

Duluth, Feb. 28.—The Phoenix hockey team of St. Paul, champions of the Twin City league, who have just won the state championship by defeating the Duluth All-Star team in a series of games, will try to arrange games with the Mohawk team of the Copper Country league and with the Cleveland septette, leaders of the Northern Ohio league in Cleveland.

The Phoenix aggregation is one of the strongest that has ever represented St. Paul, which city was one of the first in the United States to introduce the game. The series of games contemplated would settle the championship of the middle west this season.

GRAND THEATER PROGRAM.

A feature of the program at the Grand theater today will be the singing by Aud Crutcher of the popular selection, "The Italian's Goodbye." Mr. Crutcher has frequently been requested to sing this number, and his many friends will undoubtedly appreciate it. The pictures shown at the theater are very much enjoyed by the theater patrons.

START MEMBERSHIP CONTEST.

The directors and officers of the Calumet Y. M. C. A. are making arrangements for a big membership contest to start in the near future and continue until May 1. It is hoped that the total membership of the association will be increased to 1,000 by that time. It is believed that the association should have a wider field of usefulness, and each of the present members will be asked to do his share toward realizing the expected result. The campaign will be conducted systematically and it is thought that it will be successful.

WOMAN SHOT BY HUSBAND; SELF-DEFENSE IS HIS PLEA

Joe Acotto, of Sixth Street, Fires
Two Bullets Into Wife
Last Night.

CAME AT HIM WITH A KNIFE?

Alleging that his wife started after him with a large knife, Joe Acotto, residing in the Lambert building on Sixth street, last night fired two revolver shots at her, both of which took effect, one lodging in the woman's right breast and the other in her hip. After the shooting, the woman walked to the home of a friend on Pine street, while Acotto went to the Red Jacket fire hall, and gave himself up.

While the woman is understood to be in a serious condition, there is hope she will recover. Mrs. Acotto has not been removed to any hospital, she preferring to remain in her friend's home.

Just what caused the trouble cannot be learned. According to the man's story, however, as told to Marshal Trudell, Mrs. Acotto came toward her husband with a large knife, and threatened to do him violence. He states that he shot in self-defense. The woman has a different story to tell, however, alleging that there was no trouble between them, and that she is at a loss to account for his shooting her.

The weapon used was a .38 caliber revolver, now in the possession of the police. The sheriff has been communicated with, and Acotto will likely be removed to the county jail some time today. He is to be charged with assault with intent to commit great bodily harm less than the crime of murder. Acotto is aged 58 years, while his wife is said to be 30 years younger.
